

# Stern-Anhänger mit Stoff-Steif

Instructions No. 680

With the help of **fabric stiffener** , you can easily **conjure up stable Christmas tree pendants** from any soft fabric. This tutorial is an example of how to make pendants from fabric with stars or other shapes.

Here's [how it works](#)

- Cut the fabric into pieces.
- Pour the fabric stiff into a container, completely submerge the cut pieces until they are completely soaked with the liquid.
- Then wring them out and spread them out smoothly on a surface covered with foil.
- Leave to dry overnight.
- Make templates for the different stars using the templates.
- Transfer the outlines with the line-ex pen to the hardened materials and cut them out.
- Cut out the stars with the Pearl-Border the pen and let it dry.
- Glue two stars of the same size against each other with hot glue, while placing a loop from Raffia in between.
- Decorate with orange slices and buttons.
