Are you looking for a special table decoration for confirmation? Then we have a real eye-catcher for you! The decoration is easy to make, does not take long and creates a great warm atmosphere. Just the thing!

## Craft a personal table decoration for confirmation

First, cut strips of tracing paper in different widths. Use a blue pen to draw delicate "loose" wave patterns on the strips and then stick them around the jars with double-sided tape.

Now use the different materials to decorate the small jars and the oak board individually. There are no limits to your imagination. Small flowers, small leaves, sprinkles with the fish symbol and decorative ribbons are the perfect accessories for your decoration.

Finally, put small LED tea lights in the screw jars and arrange them nicely on the wooden board.
