Tealight holder for the Advent season

Instructions No. 2377

Difficulty: Beginner 

Working time: 2 Hours

Suitable for the contemplative Advent season, we have just the right thing for you! Our tea light holders are a great decoration for the pre-Christmas season. They are also very easy to make and make a wonderful gift idea.

1. First fill the VBS tubes with the Christmas baubles. Glue some of the baubles together with a little hot glue.

2. Cut two pieces of the fringe tape of the same size and fix them to the two edges of the tea light holders with double-sided adhesive tape.

3. Finally, place the tea lights in the slots provided.
