# Teelichter mit Zimtstangen

### Instructions No. 711

Difficulty: Beginner

For these lanterns, cinnamon sticks are glued close together around the tea light glasses and decorated with star anise. When they are warmed by the candles they unfold a wonderful scent of Christmas.

#### And so it goes

- Cut Jute ribbon out the circumference of the large glass.
- Glue-Ribbon lengthwise on the Jute ribbon several strips of tape and remove the protective foil.
- Break the long cinnamon sticks approximately in the middle, Ribbon lay them close together on the glass and press them well.
- Then put the cinnamon sticks around the glass and tie them well with natural bast.
- Decorate with orange slices, tree bark and star anise further .
- Stick the small cinnamon sticks with tape-Ribbon directly around the small glass and press on well.
- Raffia Wrap around and decorate with star anise.
