Are you looking for **creative gift wrapping**? Then we have just the thing for you.

With this craft kit, you can easily make **five sheep gift bags**. In addition to the craft kit, you will also need scissors, a needle and glue.

It's so easy to make these original gift wrappings:

1.
First cut out the printed motifs from the foam rubber. Place the hair, nose and two wobbly eyes on the head. If you like the arrangement, glue the individual parts on with VBS Craft glue. While the face is drying, glue the other heads together.
2.
Cut approx. 6 cm off the ribbon and thread it through a needle. Push this through a foam rubber foot and knot the end of the ribbon so that the foot cannot slip off the ribbon. Insert the needle through the fabric at

the bottom of the cotton bag and knot the ribbon in the bag.

3.

Do the same with the other foot. Repeat this process with the arms. Make sure that they are knotted in the centre of the bag.

4.

Now stick the sheep's head to the cotton bag and allow it to dry thoroughly.

Then you can fill the bags with wonderful things and close them with the drawstring. Whether small gifts, vouchers or delicious treats, this packaging is always an eye-catcher.

Have fun crafting.
