

VBS Mamselle-Puppenkleider

Instructions No. 468

Here's how it works:

For the doll's dresses, transfer the template to Felt
Use the felting needle to attach a heart of fairy tale wool to the felt dress.
Then cut out the purses, flowers and ruffles from a different colored Felt ,
attach them to the dress and sew them roughly along the edges with the
wool.

The dress is then put over the doll's head and the sides of the dress are
roughly sewn together with needle and wool. The socks and stockings are
made with Knitting dolly .
These are then put over the feet or the leg.
Loops of wool are tied around the braids.
From the pink Felt two small circles are cut out for the cheek of each doll
face and glued on with wood glue. For the Chain you take a 12 cm long
perlon thread and thread any beads on the thread.
