

Weihnachtliche Ideen mit Lichterketten

Instructions No. 130

Fairy lights invite you to do handicrafts. Especially in winter and Advent they are responsible for atmospheric and festive lighting, indoors and outdoors. Creativity, imagination and the many different handicraft techniques provide a wealth of possibilities. No matter whether you Napkin technique work with, decopatch, decoupage fleece-Paper, Felt, or Straw silk paper use Windowcolor decorate or bring in decorative parts such as umbrellas or paper bags.. Everything can be combined with each other and makes every chain of lights a unique specimen. Conjuring up shining lights is therefore very simple.
