Window pictures farm animals

Instructions No. 1881

Difficulty: Beginner

Working time: 45 Minutes

Our farm animals are loose! With the free templates you can easily recreate this cute farm scenery. This will delight adults and children alike. Great fun for the whole family.

First print out the **templates**. To print the design on the corresponding **Craft cardboard sheet** there are several possibilities. Either you transfer them **to** the coloured cardboard with the help of **graphite paper**, create a **Stencil**By sticking the template on a sheet Craft cardboard sheet and then cutting out the motif or redrawing the templates on the sheet, you Craft cardboard sheet. can paint on the motif as often as you like **and** then cut it out

Now glue the individual parts with **Handicraft glue** to each other or to each other. Tip: For a great 3D effect, you can glue-Glue pads 3D to certain places such as the legs, eyes and noses of the animals. This will highlight these places. Paint with a **Marker** ..ears, eyes and noses still open.
