Winning idea Christmas mug with Fimo VBS Christmas craft competition 2023

Instructions No. 2955

Difficulty: Advanced

Working time: 4 Hours

The winning idea **"Christmas mug with a freehand modelled Christmas turtle made from FIMO"** was submitted by Julia. She shows us how to creatively design a beautiful mug with a cute Christmas motif.

How to design mugs with polymer clay:

First model your desired motif onto a cup using **polymer clay**. Then harden your motif in the oven according to the manufacturer's instructions. Leave your modeled shape to cool.

Now you can fix it to the mug with a **two-component adhesive**.

You have a great **Christmas decoration** and an excellent **gift** for your loved ones. There are no limits to your creativity - whether it's a turtle, another animal or classic Christmas symbols such as a bell etc., the mug will be a real eye-catcher. - The mug will be a real eye-catcher.
