

Winter decoration pendants from Raysin

Instructions No. 2855

Difficulty: Beginner

Working time: 1 hour 30 Minutes

Make cute decoration pendants with the casting compound Raysin. It is air-hardening, odourless and free of harmful substances. With a casting mould, you can make great decoration pendants in the shape of gnomes, stars and lanterns. Decorated with markers, the pendants look great as gift tags, on the Christmas tree and as Christmas decorations.
