The right egg depending on the mood. Simply use the **branding pen** to create funny gentlemen and gentlemen. Also great as a souvenir or as a decoration for your Easter table. This is something different and will certainly amuse your guests.

This is how the funny gentlemen are created:

Paint the Terracotta pots with **Handicraft paint**. If you want the pot Terracotta-to look like a suit for the eggs, as in our example, it is advisable to draw a long triangle for the shirt on the front. Of course you can also paint on a tie or design the jacket with small buttons. Of course you can also create a dress. There are no limits to your imagination

Draw the faces with a pencil and burn them with the **branding pen**. Then decorate the **eggs** according to your wishes, for example with a bow, which should serve as a fly

Finally you put the egg faces on the pots.
