Discover your joy of painting and drawing and indulge in the creative and relaxing Zentangle or Zencolor art! You can use the beautiful Zentangle frame for printing, decorate it according to your taste and create your own Zentangle work or use the picture for other creative ideas of your choice. Enjoy your peace and quiet and simply paint the stress away!

And it is as simple as that:

To decorate or further process the Zentangle frame, first download the motif template.

Depending on your wishes, you can further design or fill in the frame with a pencil or Zentangle-Fineliners or simply colour it in. For this you can use Bunt- , Aquarelle- Felt- or Brush pens.

The picture is also perfect as a frame for a decorative text - for example an invitation, congratulations on various occasions, a beautiful thought, a poem and much more!
