Macrame Lanterns

KNOTS USED

Lark's head knot
double half hitch knot
Square knot
(see at the end step by step tutorials for these knots)

BEFORE STARTING

Cut 1 rope of 100 cm and 29 ropes (70 cm each).

STEPS

STEP 1. Attach all 29 ropes (70 cm) to the center of the 100 cm rope with the **larks head knot**.

STEP 2. Place the long rope around the neck of the glass and tie it tightly.

STEP 3. Tie a **square knot** with 4 strands.

STEP 4. Tie 4 more square knots with the next 16 ropes.

STEP 5. Tie 4 staggered square knots. For this, leave out 2 strands of the square knots of the previous round on the left and right.

STEP 6. Tie 3 staggered square knots. Omit 2 strands of the square knots from the previous round on the left and right.

STEP 7. Tie 2 staggered square knots. Omit 2 strands of the square knots from the previous round on the left and right.

STEP 8. Tie 1 staggered square knot. Omit 2 strands each of the square knots from the previous round on the left and right.

STEP 9. Split the ropes of the triangle in the middle so that there are 10 ropes on each side.

STEP 10. Place the left strand of the left ropes over the remaining 9 left ropes. Knot around this one.

STEP 11. Knot the **double half hitch** from outside to inside.

STEP 12. Divide the ropes of the triangle in the middle so that there are 9 ropes on the left side and 11 ropes on the right.

STEP 13. Place the right strand of the right rope over the remaining 10 right ropes. Knot around this one.

STEP 14. Knot the double half hitch from outside to inside.

STEP 15. Repeat step 3 to 14 another 2 times until you have a total of 3 framed triangles. Cut the ropes all to one length.

LARK'S HEAD KNOT

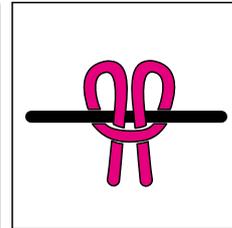

Step 1: Fold one strand (consisting of a filler strand and a working strand) in half and place the loop on top of a cord, a rod or a ring.

Step 2: Fold the loop down the back

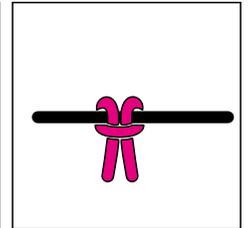

Step 3: Pull the ends of the strand through the loop and pull tightly.

Step 3

Note: Due to the fact, that Crafty Fine yarn is recycled from colour-assorted textile material and not re-dyed there can be slight variations in color and thickness. We therefore recommend buying enough yarn for your project. We also advise to use a crochet needle without handle, which is easier to work with. The first stitches might be a little bit hard to work, but you will soon get used, and the final result is worth it.

WASHING ADVICE

Always wash in as warm a water temperature as possible - up to the temperature recommended, with a short spin. Use a lot of water if hand washing. For darker colours we recommend the use of discolouration sheets.

Do not bleach.

Do not tumble dry. Drip-dry on a horizontal surface.

Iron on a hot temperature setting using a damp cloth.

Professional dry cleaning in tetrachloroethylene.

DIAGONAL DOUBLE HALF HITCH

From top left to bottom right / top right

Step 1: Take the first cord on the left (black) as the filler cord and the second cord (red) as the working cord. Place the filler cord over the working cord diagonally to the right. Loop the working cord around the filler cord.

Step 2: Loop the working cord around the filler cord again.

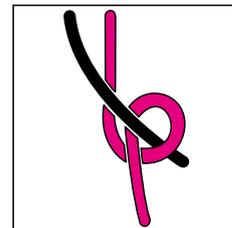

Step 3: Gently pull the working cord tightly and push both loops together.

Step 4: Use the next cord as the working cord and tie the next knot. Arrange this knot slightly lower/higher to create a diagonal line.

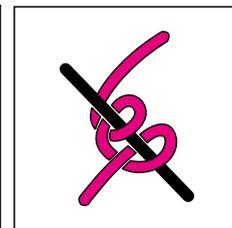

From top right to bottom left / top left

Step 1: Take the first cord to the right as the filler cord and the second cord as the working cord. Place the filler cord over the working cord diagonally to the left.

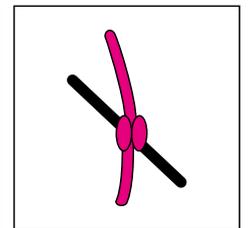

Step 2: Tie the knot as described above, but work in the opposite direction.

Step 4

SQUARE KNOT – SQUARE KNOT BAND

Step 1: The 4 filler and working strands are arranged parallel, the working strands A and D are on the outside and the filler strands B/C are in the middle.

Step 2: Place D from right to left over B/C and under A.

Step 3: Bring A from left to right under B/C.

Step 4: Pull A from the back to the front through the loop created by D.

Step 5: Carefully pull A and D tightly.

The first basic knot is finished = 1 half square knot.

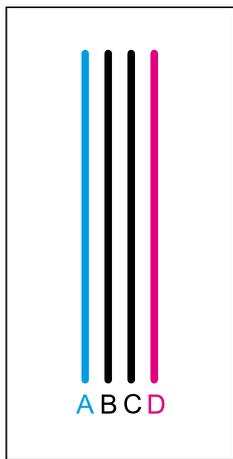

Step 6: Place D from left to right over B/C and under A.

Step 7: Bring A from right to left under B/C.

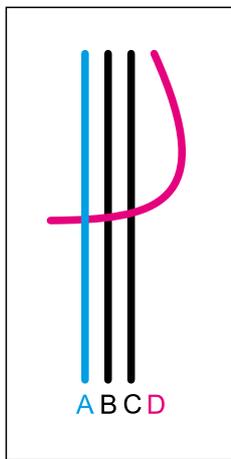

Pull A from the back to the front through the loop created by D.

Carefully pull A and D tightly.

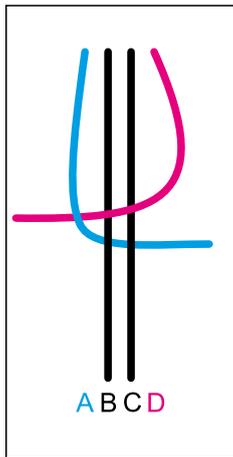

The second basic knot is finished = 1 square knot.
